THE GOLDEN MOMENT.

Indigenous 原住民琉璃 Glass Bead Art

色彩光潤、紋樣豐富的琉璃 珠,是台灣原住民族的傳統 工藝之一,而其中又以排灣 族最具代表性,它與陶壺、青 銅刀並列為「排灣三寶」,不 僅被視為世代相傳的寶物, 其美麗的紋路背後,還隱含 著深刻的社會、宗教及文化 等意義。

Richly colored and patterned glass beads are one of the traditional crafts of Taiwan's indigenous people. The Paiwan are especially well-known for their bead art, considered one of the tribe's "three treasures" along with pottery pots and bronze knives. Apart from their visual allure, these colorful beads also reflect the society, religion and culture of the Paiwan people.

手腳之珠

因其紋樣酷似蜻蜓的眼珠,也有「蜻蜓珠」「蜻蛉玉」等稱呼。在傳統文化中,琉璃珠是貴族與頭目才能擁有的寶物,也是婚姻的貴重聘禮,以往排灣族人論及婚嫁時,如果沒有琉璃珠,婚事就免談;在現代中,則經常可見族人們配戴著出席重要慶典,同時也成為部落最具特色的工藝產業。

由於排灣族的古琉璃珠與婆羅洲北部一帶的原住民所擁有的形式相近,因此推論排灣族人可能為其後裔。族人遷移至台灣以前,在南洋地區與歐洲商人交易所得,再隨著族人進入台灣。傳統琉璃珠的製法現已失傳,而現今多運用由歐美引進的噴燈燒製法來製作,透亮光澤更添質感。

每顆琉璃珠因色彩及紋樣不同,分別有著不同的傳說,「高貴光明之珠」是頭目才能配戴,可送給長輩表達祝賀之意;「孔雀之珠」是天神化身為孔雀來到人間與頭目之女相愛的故事衍生而出,代表著定情與美麗;「太陽的眼淚」則敘述著太陽因遠離人間而落淚,當淚珠碰到地面時幻化成琉璃珠的故事,意喻著不捨與保護;「手腳之珠」則是一位頭目與妻子產下一顆柚子而備受嘲笑,沒想到柚子旁邊竟然生出一顆顆美麗的珠子,與柚子串聯成身體與手腳的故事,因此含有守護與成長之意,適合送給小孩;「勇士之珠」上則有菱形蛇紋,是榮譽與勇者的象徵...。

不同的精采神話,令人相信琉璃珠具有神祕力量,可祈福保護亦可降禍懲戒,神聖的意義也讓排灣族特有的琉璃珠文化更加發揚光大。

"Baliutus" is the Paiwan word for colored glass beads. They are also known as "dragonfly beads" or "dragonfly jade" due to their resemblance to dragonfly eyes. Traditionally, glass beads could only be worn by the nobility and chief of the tribe. They also were considered a precious dowry item given during tribal weddings, and without them marriage was an unlikely prospect. Today glass beads are frequently worn by members of the tribe during major ceremonies. They also have endured as one of the distinctive handicraft arts of the tribe.

From the similarity of ancient glass beads made by the Paiwan and those made by the indigenous people of northern Borneo, it is believed that the two tribes are related. The tribe's traditional glass bead making methods have been lost, however, and today the beads are made with a western blowtorch method, resulting in a finer and more lustrous product.

Each glass bead differs in color and pattern and has a different legend behind it. The "Bead of Noble Light" can only be worn by the chief and can given as a congratulatory present to an elder. The "Peacock Bead" is based on a story in which a celestial being transformed into a peacock and fell in love with the chief's daughter, and is therefore seen as a token of love and beauty. The "Sun Tear" bead refers to a story of the sun crying because of its distance from the world; and the "Hand Foot Bead" refers to the story of a pomelo born to the chief and his wife, and whose seeds formed into a human being. The "Warrior Bead," in turn has a serpentine diamond pattern and is viewed as a symbol of honor and bravery.

These legends are seen to impart a mysterious power to the glass beads, which are believed to have a protective power and add a divine dimension to the distinctive glass bead art of the Paiwan people.

Chaoby founder A-chang entered the baking business at the age of 12. Over the past more than 40 years, he has been steadily refining his pastry and cake-making skills, earning his company several awards for its trademark pineapple cakes and decorated cakes. In 2002, the bakery opened Refined Bakery Art to directly serve consumers. Since then, the company has become a well-known e-tailer of baked goods. The company also has an unassuming bricksand-mortar store tucked away in a small alley by the Xizhi Industrial Zone, the heavy scent of its baked goods filling the air.

One of Chaoby's best-selling items is ice mung bean cake. These exquisite treats are made with top-grade mung beans and red date paste filling with no added preservatives. The cakes have a delicate, melt-in-your mouth taste that has made it a favored souvenir gift for visitors to Taiwan. The company also sells its golden mung bean cakes at duty-free shops. These cakes have a prefect balance of buttery outer pastry and filling to create their unforgettable taste and texture.

Chaoby's mango pudding is made with

fresh Irwin mangoes from Tainan and 70% mango juice to give this treat its addictive flavor and texture. The company also makes a litchi pudding that is so sweet.

For a healthy alternative, Chaoby also makes savory crispy pastries with isomalt sugar-substitute. The pastries achieve their healthy goodness with a filling made of over 20 ingredients, including high-fiber vegetable and fruit paste, wheat germ, oats, meat floss and mushrooms. Chaoby's lotus seed cakes are made from select lotus seeds and white gourd from Baihe Township in Tainan County lotus seed sweetened with castor sugar and slow-roasted malt. All of these treats are also among Taiwan's most popular souvenir gifts.

Once, a customer bought Chaoby cakes at a duty-free shop when leaving Taiwan and never forgot the taste. He copied the address on the box and as soon as he returned to Taiwan traveled all the way to Xizhi to re-experience these delicious treats.

With summer's arrival, the Lanyang Plain invites one to relax and appreciate the scenic beauty at a leisurely pace. A clear day, a light breeze, and the forest freshened air further add to Yilan's attraction as a green escape worth taking time to explore.

到羅東林場深呼吸

由羅東車站出發,第一站是緊鄰鐵道的 羅東林業文化園區(當地人慣稱羅東林場), 林場的起源和羅東有著密不可分的關係; 自日治時期開始,官蘭的林業甚為發達,由 太平山林裡砍筏下來的樹木,都以羅東為 集散地再轉運出去,因此羅冬也成為當時 極為繁華的地區。爾後因林木砍伐業停止, 原本集中山上運下樹木的林場失去了功 能。經羅東林管處重新規劃整頓後而有了

One of Yilan's best green walking routes starts in Luodong, a township of both historic neighborhoods and public buildings of a more modern design. The architectural transformation of the town owes to the efforts of a team led by Taipei transplant Huang Sheng-yuan, who has been working with the Yilan County Government to gradually realize a comprehensive and forward-looking makeover of the town's built environment, in the process creating an evolving dialogue with the natural environment.

Reoxygenating in Luodong Forest

Departing from Luodong Station, the train arrives first at the Luodong Forestry Culture Park (known locally as Luodong Forest). The forest is closely tied to the history of Luodong. Yilan' s forestry industry rose during the Japanese occupation period, fueling the growth of Luodong as a timber transfer point. The township lost this function after the logging stopped, prompting the Luodong Forest District Office to re-plan the township with a fresh new face. The new development preserved the original timber basins, Japanese-style loggers' dormitories, timber transport tracks, and other reminders of the town's logging history. Today the forest is a popular get away for locals seeking fresh air in nature's embrace.

清新的面貌,讓這裡重新開放並賦予都市森林的定義,保留當年曾蓄藏豐富木材的蓄木池,與周邊提供當時林場員工居住的日式宿舍群,運送木材的舊鐵道等。現在已成為遊客與宜蘭人散步森呼吸的好去處,走在撒滿木屑的舊五分車鐵道上,林蔭密佈的詩意氛圍讓人自然而然緩下了腳步。

穿梭在其間的裝置藝術木頭人,有的靠在碉堡上玩「123木頭人」,有的在湖畔平台賞島,樸拙卻生動的模樣讓人不禁莞爾。

The historic allures of Yilan can be enjoyed in novel ways, and on foot, from Yilan Train Station. In front of the station one can see the "Dududang Forest," an impressive canopied area with a tree-inspired design. The "forest" is situated in the front courtyard of a temple, with vendors and

除了都市內的綠意風景之外,瀕臨海邊 的南澳也有著這樣一處悠閒散步的都市公 園,原生植物標本園裡面積廣達約九公頃, 原為樟樹造林用地,後因應南澳工作站新 建辦公室之遷建計畫而另規劃為原生植物 標本園。栽植種類有蕨類植物、被子植物、 竹類植物、水生植物、藤本植物和草本植物 等,生態和林相十分豐富。穿梭在林蔭間, 直挺挺的大樹林立,深深吸一口氣更能由 清新的空氣中,享受到散步才有的新鮮味。

Coastal Flora

The in-city natural charms of Yilan can also be experienced in the village of Nan'ao on the county's coast. The Nan-Ao Protophyte Specimens Garden covers about nine hectares in what was originally a planted camphor forest. After the Forestry Bureau moved the Nanao Station here, the site was redeveloped as a protophyte specimens garden. The garden is planted with a wide variety of ferns, angiosperms, bamboo, aquatic plants, vine plants and herbs. All come together with the trees to create a novel spot to walk and enjoy the fresh air.

Exercision 賞美學的宜蘭風 Seeing Yilan with an Artistic Eye

屬於宜蘭的獨有印象,除了平原、風和日麗、 牛舌餅及鴨賞之外,現在應該要再加上「建築 美學!

Among its ample unique attractions, from the Lanyang Plain to cow tongue cakes, Yilan now counts a new site of architectural significance with the opening of the Lanyang Museum in 2010.

2010年蘭陽博物館開幕,正式讓宜蘭的建築美學大鳴大放, 充滿藝術感的單面山造型,呼應著周圍自 然景觀;精心規劃的實境展區,深具參觀 趣味與文化深度。以蘭陽博物館為窗口,認 識官蘭建築美學的源頭,穿透表面,看見 山、平原與海的心跳脈動。

單面山式耀眼建築

雖然沒有披上鮮豔的外衣,車行到官蘭濱 海公路頭城段,很難不注意到這棟像座單面 山矗立在路旁,造型恰與前方龜山島呼應的 三角形建築——蘭陽博物館。「單面山」也 正是建築大師姚仁喜的設計發想源起。

位於烏石港遺址。將蘭陽博物館設置在 此,更具歷史深度和地質的重要性,歷史 的深度指的是烏石港在清朝時期的繁華歲 月;地質的重要性,指的是地質板塊碰撞 的結果,讓這裡的土地都是以朝東的單面 山造型長成。

Lanyang Museum Inspired by the form of a cuesta, the museum building harmonizes with the natural landscape and offers carefully planned exhibition spaces that present Yilan in all of its cultural depth. The transparent facade also admits spectacular vantages of the surrounding mountains, plains and sea.

Cuesta-inspired Design

Driving along the Toucheng section of the Yilan Coastal Highway, one can't help but notice the architecturally arresting Lanyang Museum. Designed by architect Chris Yao, the cuestalike museum rises impressively by the highway, is triangular design echoing Guishan Island opposite it off the coast.

The museum is located at the old site of Wushi Harbor. The harbor was a bustling port during the Qing period, adding a historical dimension

除了公共藝術的建構之外,近年來宜蘭的特色旅店,也因來自各地的建築師移居宜蘭,藉由他們的美學創造了許多特別建築的民宿,在廣闊的蘭陽平原裡,「長」出了獨特的住宅風格,於是可以在一片水田中欣賞到具有宜蘭特色的蘭陽厝,透過建築師的手,用建材與外觀呈現,讓蘭陽的美學,更漂亮了!

to the site. This spot is also geographically remarkable due to the cuestas that have formed here.

The museum facade is composed of rectangular granite slab and aluminum plating that mimic the color scheme of reef rock and subtly fuse the building with the surrounding environment. The iron beam and glass curtain wall structure further suggests the natural fissuring seen in rock and admits to the interior a sense of Yilan's trademark wind and rain.

The Mountain Level is a permanent exhibit on the museum's fourth floor. Here visitors can see life-like replicas of Taiwan beech and other tree species, as well as real animal specimens. Among the highlights at the third floor Plains Level are exhibits introducing agriculture across the four seasons, including areas showing rice from the seedling stage to sun-drying the harvested grain. The exhibits open a vivid window to the farming culture that has emerged in Yilan's marshy land. Finally, at the Ocean visitors can experience the Kuroshio Current marine culture in Yilan.

03~04 浮線發想之島內景 Floating Line Thought Island

「浮線發想之島」位在宜蘭五結鄉、蓋在水中的房子、矗立在2000坪的水域當中、林晉德和林憲慶這對建築師兄弟、用一個「浮」出水平線的概念與想法、創立了這個「島」、他們不稱為民宿、而是願意與人分享的私人住宅及夢想空間。

僅有5間房間,每間都有獨立進出的居住空間,且都擁有可以釣魚的獨立陽台,其中2間甚至有獨立的游泳池,從室內的硬體規劃到傢俱、寢具的佈置,風格各有不同,用大膽的設計挑戰人們平常習慣的生活空間,用強烈的寢具配色創造空間的另一種語言,這是「浮線」,一座水中的島。

如果有興趣想當個一日「島主」,記得事 先預約,主人才能準備好島上的糧食迎接 「島主」;如果想參觀,可能會不得其門而 入,因為過不了「水」,沒法兒上岸,所以, 只能遠觀這座水中之島! unique hotels and B&Bs have been opened in Yilan, a product of the county's allure to architects from across Taiwan. These architects have brought different aesthetic sensibilities to these buildings, many of which can be found on the expansive Lanyang Plain, fusing design, materials and facade to contribute a new element to the beauty of this region.

The Floating Line Thought Island hotel in Wujie Township, is a 6,611-square-meter B&B built in the midst of a pool of water by the architect brothers Lin Chin-te and Lin Hsienching. The island-like hotel has the feel of both a private residence and a dream-like space.

There are just five rooms in the hotel, each with a fishing balcony and two with a private swimming pool. From interior design to the furniture style and layout, the hotel boldly challenges conventional thinking of what a living space can be.

Lodgers hoping to be the "master of the island" for a day need to make advance reservations with the host. In fact, a reservation may be your only way to see this water surrounded hotel up close!

地址:宜蘭縣員山鄉雙埤路21-8號(雙連生態教室旁) Address: No. 21-8, Shuangpi Rd., Yuanshan Township, Yilan County (next to the Shuanglian Pond Eco Classroom)

背景不簡單的合鴨米灶腳

合鴨米灶腳是由專精鴨類基因配種的 黎明農牧場所設立,利用早期官蘭鴨農在 稻田收割後,把鴨群趕過稻田「逃冬」的景 象,順勢除草鬆土並貢獻糞便做為肥料。 以這樣的方式種植稻作與養殖鴨子,成功 的有了合鴨米的收成。因為成本極高,無論 合鴨米或合鴨本身,都要將價值發揮到最 高,因此合鴨米灶腳餐廳即成為推廣的窗 口。店雖小確對料理堅持強調健康原味。 合鴨放入水中熬煮,只添加適量鹽帶出鴨 肉的甜味,不論是米香或鴨肉O度,都有著 獨特的好滋味。

品嚐山林的天然美味

野夫炊煙位於雙連埤旁,以回歸自然的 野夫生活為意象,老板以築巢本能,打造 了如大自然的原始空間。有了這樣的自然 派空間後,老闆希望讓更多人能夠分享, 於是餐廳裡,提供的是「無菜單料理」,每 天的菜單發想源自;來這裡吃最天然及當 地食材的概念。於是官蘭員山鄉山裡的放 山雞、溪裡的香魚、鄰近田裡的青蔥紅菜、 南方澳的生魚片等都成了菜單之一,運用 簡單的快炒、鹽烤、燉煮等簡單烹調,更能 吃出山野原味,也能健康飲食減低身體的 負擔。自然不造作、不討好、不喧譁的原味 美感,更能在煩熱的盛夏之時,靜下心,體 驗慢慢玩官蘭的美好時光。

05 合鴨米嚼出不同味道 A range of flavors waits at To Ho Ya Rice Kitchen

To Ho Ya Rice Kitchen

To Ho Ya Rice Kitchen was established by Liming Farm, which raises a genetically controlled variety of duck that is used in its trademark dishes. Continuing an early tradition in Yilan, the farm releases the ducks onto harvested rice paddy to graze on the rice stalks and fertilize the soil. The To Ho Ya Rice and ducks resulting from this process are served up in healthy and delicious dishes at the farm restaurant. The chewy duck is boiled and presented with just a bit of salt on fragrant rice, making a delicious and distinctive treat.

Natural Goodness

Located on the edge of Shuanglian Pond, Wild Smoke welcomes visitors into a natural space steeped in rustic charm. The restaurant has no menu and the dishes you get depend entirely on the owner's inspiration that day. Everything, though, it made with the most natural and local ingredients.

Free-range chicken from Yuanshan Township, river sweet fish, scallions and beet root from neighboring fields, and sashimi from Nanfang' ao are among the ingredients used by the restaurant. Most of the dishes are made by stirfrying, salt roasting, and other simple cooking methods to retain all of the original flavor and healthy goodness of the food.

為創造出世紀經典干邑連上帝也偏心

釀造干邑最優質的葡萄 只在法國大小香檳區

超越干邑 再上一乘的極品 一人頭馬特優香檳干邑 大、小香檳區的面積,只佔全干邑區的百分之九,可見其珍貴稀有。 1938年法國政府又明文規定,只使用大、小香檳區的葡萄,且大香檳 區的葡萄必須佔50%以上的比例,才可獲得「特優香檳干邑-FINE CHAMPAGNE COGNAC」之最高榮譽。全法國每年所生產的干邑,只 有17%可符合特優香檳干邑的嚴格標準,而其中80%,皆是由人頭馬所 釀造的。

干邑之心

精湛釀造工藝 成就法國第一人頭馬一干邑之心

人頭馬不僅只選用大、小香檳區的優質葡萄,還堅持使用傳承二百多年的古法釀酒技術,包括用小型蒸餾器將果皮及梗一併蒸餾,再利用小容量的林茂山酒桶储存,製造酒桶時絕不使用任何釘子或木膠,以維持木桶天然木質風味。並建造以Charente石塊做為牆壁的酒窖,保持陰涼濕潤的環境,使人頭馬干邑得以長期在最完美的環境下醞釀陳年。以優異的葡萄品種,配合調酒大師的精湛技術,並經過法國政府認定為「特優香檳干邑」,人頭馬於是成為法國銷售冠軍,是法國第一品牌,更是干邑中的宗美典範。

陳年淬煉 展現深厚且豐富的層次感

對於酒的陳釀,法國立有法律規範,以保證不同等級的酒其最低的陳釀年份。法律規定V.S.O.P的陳釀時間至少需要4年,XO則至少需要6年以上。而人頭馬的特優香檳干邑,其陳釀時間都比法定規範年限還要更長,例如人頭馬V.S.O.P平均年份為9年,而人頭馬XO平均年份則長達23年。這些不同年份陳釀的酒液,經由人頭馬專屬調酒大師以極端敏銳的味覺,精湛的調配技術和過人的藝術鑑賞力,就像是指揮家般,將無數生命之水組合成一支和諧精采的交響樂曲。

人頭馬特優香檳干邑,經歷時間的洗鍊以及世代傳承的釀造工藝,已昇華成一種堅持卓越的藝術精神。極度嚴謹地講究每一個細節,正是它何以如此完美呈現,出類拔萃的原因。體驗它的絕美風味,可自行選擇最舒服的方式,放鬆地品嚐。想更加了解人頭馬干邑,歡迎至官網獲得更多資訊,並為您開啟一段芳醇醉人的品味旅程:www.remv-martin.com

珍貴葡萄應許之地—法國干邑 大小香檳區

干邑區位於法國西南部,路易十三時代即明確劃定 了干邑區的範圍。1909年法國政府又將干邑區依環境優 劣分為六大區,其中最精華的部分,就屬干邑區中心的大、 小香檳區。此區擁有溫和潮濕的海洋性氣候、充足的陽光, 以及利於保水、排水的白堊質土壤,種種的地理條件,使葡萄 達到恰到好處的熟度,綻放出豐富的香氣。再加上人頭馬家族 傳承百年的釀酒技術,所有條件皆完美備齊,無怪乎上帝也偏心, 如此獨厚決國大小香檳區,只為共同創造出令世人讚嘆的極品干邑。

生活在這「0」與「1」架構的科技框框裡·人們仍不由自主地想用點什麼將這灰白時代點綴成畫·那是因為無論是誰一生皆追求著與生俱來的內藏美感·渴望透過各種情感表達形式傳遞與人·而這種形式就是「藝術」。透過藝術創作展覽匯集豐沛的生命力·運用創作者與觀賞者的心靈對話·不僅能開拓民眾新的美學視野·更能潛移默化地淨化人心並轉換氣質·進而讓這個城市充滿想像力與創造力。

「墨花·彩舞·炫桃園」為桃園縣國教團藝術與人文領域召集人黃貴枝所開辦之展覽活動·其提供了桃園縣藝文教師發表創作與分享心得的交流空間·成功推動藝文教育·落實了藝術與人文結合的目的。展覽的精神秉持著鼓勵以最少的限制積極尋找題材·發揮多元的創意·盼藉由不同藝術的融合·以提昇觀賞者欣賞藝術創作的品味·感受與時並進的嶄新美感。

As modern life appears to be within the confines of technologies, people somehow feel an irresistible urge to change ordinary lives by adding in a spice of artistic creativity. We love beautiful things, because such aesthetic appreciation is inborn with us. We are eager to communicate with others by expressing emotions and feelings converted into various forms of ideas, while art is what makes of those ideas. The richness of life can be gathered, represented and seen in works of art. A conversation of minds shall be initiated between creators and appreciators when a sense of beauty is cultivated and grown in our purified hearts. The city where we live in will come to be filled with imagination and creativity.

The exhibit, "Flower, Dance, Show Taoyuan," is held by Gwei-Zhi Huang, who is the convener of Art and Humanism Advisory Group of Compulsory Education Advisory, Taoyuan County Department. The exhibit provides teachers in Taoyuan County a venue to publish their individual artistic creations and share ideas, dreams and visions. The exhibit not only successfully gives an impetus to art education, but also implements the goal of uniting art with humanism. The spirit of the exhibit is to encourage creating works of art without limit. Hopefully, as we marches with the times, the appreciation of art can be enhanced and inspired by combining different forms of idea into art creations with freshness.

大多數生活在台灣的人很難想像的。原本就居於弱勢的這群孩子,一旦生病、尤其是 眼疾,可以想見他們的處境將更加艱難。

很多孩子因為父母欠缺知識、家境貧窮或甚至居住地太偏遠,沒有醫療資源,導致視 力受損甚至失明,看了實在很心疼。我覺得,每個孩子都不該被放棄。對很多人來說, 包括我在内,可能只是付出一點點心意,卻會為這些小孩和家庭帶來一輩子最大的改 變。給眼疾孩童「一份愛,醫個機會」,幫助他們看見光明,看見未來!

ALL OUR EXPERIENCE, DISTILLED INTO ONE QUINTESSENTIAL COLLECTION.

The 1824 Collection is a quintessential range of The Macallan, created by those craftsmen at the heart of this great Single Malt. Each expression has its own character and together showcases its Mastery of Spirit and Wood. To craft the collection we gave our Whisky Maker unprecedented freedom, unfettered by age or cost, to select only those casks att their 'ripest' and most flavoursome. The collection fittingly takes its name from the year in which the distillery was legally licensed and is exclusive to Global Travel Retail.

Select Oak is a wonderful balance of Spanish and American oak casks seasoned with sherry and American oak casks seasoned with bourbon. Each cask has been hand selected under the supervision of George Espie, The Macallan's Master of Wood, to deliver a Single Malt of extraordinary smoothness, remarkable sweetness and depth. Such is its quality that renowned whisky expert Jim Murray, author of the Whisky Bible scored it 94.5 out of a possible 100.

Whisky Maker's Edition is an exceptionally elegant Single Malt with a lingering finish, crafted by the Macallan Whisky Maker, Bob Dalgarno. Bob has selected some of The Macallan's most interesting casks, some containing whisky distilled from barley grown on The Macallan Estate. It has taken many years of experience, from apprentice to Whisky Makers, for Bob to perfect this, his own personal whisky. Paul Pacult writing in the Spirit Journal thought it "stunningly sophisticated" and well worthy of its rare and coveted 5 star 'highest commendation' .

Estate Reserve is dram of real character, intense and rich. Drawing on casks selected for maximum depth of flavour, it is non-chill filtered and bottled at the traditional '20 under' strength. Paul Pacult described it as "a bow tie and roaring fire dram" and awarded it the 5 'highest commendation' .

The 1824 Limied Release, is one of only 1,824 decanters released each year and is drawn from some of the oldest and rarest casks on The Macallan Estate. This is a sublime Single Malt drawn exclusively from Spanish oak casks seasoned with sherry. Jim Murray scored it an amazing 97.5 out of 100 saying "Unquestionably my favourite Macallan of all time: indeed one of the greatest whiskies ever created".
